SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if used at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

HEALD'S

SCHOOL OF MINES *and* ENGINEERING

24 POST STREET, SAN FRANCISCO

CIVIL AND MINING ENGINEERING

This department has been established to meet the demand for thorough instruction in mining and surveying that will be shorter than the university course of four years. The plan adopted, therefore, is to *specialize*, so that those who wish can take up one subject only or as many as may be deemed advisable. Six months devoted exclusively to mining engineering will give the average student a full *practical* knowledge of the subject.

Any course or group of studies may be selected.

The CIVIL ENGINEERING COURSE includes: Geometry, Trigonometry, Draughting, Strength of Materials, Surveying, etc.

The MINING ENGINEERING COURSE includes: Assaying, Blowpipe Analysis, Mill Construction, Milling, Mining, Geology, Mineralogy, Economic Geology, Surveying.

The METALLURGICAL COURSE includes: Chemistry, Assaying, Metallurgy, Calorifics.

ELECTRICAL ENGINEERING

The study and work in this department cover all the modern applications of electricity. The course is so condensed and divested of superfluities as to bring it within the time limit and means of the average young man who has to make his own way in the world.

The department is thoroughly equipped with Dynamos, Motors, Measuring Instruments, Wiring Appliances, Wheatstone Bridges, Telegraphic Instruments and Appliances, Electro-Medical Apparatus, Galvanic and Storage Batteries of all kinds, Fluoroscopes, X-ray closet and a large Laboratory.—*Send for Special Catalogue of this School.*

NIGHT SCHOOL

To accommodate a large class of patrons who are unable to attend the day sessions, evening classes are conducted in the different departments the entire year. All the facilities and advantages of the day sessions are provided for these classes; the same studies, the same methods, the same practical work. The instruction is individual and every attention is given to those whose education has been neglected.

Business Houses needing Bookkeepers, Stenographers, Typewriters, Cashiers, Clerks, Foreign Correspondents, Telegraphers, Electricians, or Clerical Labor of any kind, can be immediately supplied by telephoning.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS
THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.
Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make it positively injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire to visit these springs will please write for pamphlet. Address SAN LUIS HOT SULPHUR SPRINGS, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. An observance of this rule during the use of the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.
